

iM:PACT_Innovations for the Mediterranean

ABOUT THE PROGRAMME

- Regional programme in the Mediterranean
- Initiated by the National Foundation for Civil Society Development (Croatia)
- Focus on SDG 17 (Partnerships)

APPROACH

- Cross-sector and cross-country collaboration
- Integrated solutions to interconnected challenges
- Locally grounded, context-based work

CONSORTIUM

- Partners from Italy, Slovenia, Spain, Malta, and Portugal
- Combines research, youth engagement, social innovation, and philanthropy

CORE PURPOSE

- Strengthens cross-sector cooperation
- Connects civil society, research, and philanthropy
- Promotes sustainable and inclusive development

WHAT THE PROGRAMME DOES

- Facilitates policy dialogue
- Supports joint research
- Builds capacities
- Enables knowledge-sharing

KEY CHALLENGES ADDRESSED

- Climate change
- Migration
- Socio-economic inequalities
- Youth participation

ADDED VALUE

- Connects different types of expertise
- Bridges sectors and perspectives
- Supports collaborative solutions at regional level

Blue. Clean. Forever.
